Welcome to the Camp Fire Georgia family!

Camp Fire programs provide youth with a safe and supportive environment where they have the opportunity to make new friends, try new activities and learn skills that they will carry with them for a lifetime. At Camp Fire, we encourage youth to find their spark, lift their voice and discover who they are.

At Camp Fire, it's more than just activities and play; all programs are outcome based. With a safe and supportive environment, children can fully engage in activities and are provided with leadership opportunities. Our Leaders support our participants in lifting their voices. Youth are encouraged to explore their natural sense of curiosity and find their own sparks.

In Camp Fire, positive intercultural relationships are fostered. All children and families are welcome regardless of race, religion, socioeconomic status, disability, sexual orientation or other aspect of diversity.

Weather guidelines set forth by the Georgia Department of Early Care and Learning are observed. Participants will not go outside if the wind chill factor is less than 36°F, which means an air temperature of 40° F or more and wind speed of 15 mph or more. We ask that all participants be dressed appropriately for weather conditions.

Health and Wellness

- Children who are sick should be kept at home. The state's current communicable disease chart of recommendations for exclusion of sick children from the center and their readmission shall be followed. A participant will not be accepted or allowed to remain in the program if the child has the equivalent of a one hundred and one (101°) degrees or higher temperature and other contagious symptoms such as, but not limited to: a rash, diarrhea, vomiting, a sore throat or discharge from the eyes.
- Camp Fire Leaders will contact the parent/guardian regarding any incidents, including illnesses, injuries, adverse reactions to medications, etc.
- Before any medication is dispensed to a child, written authorization from the parent or guardian must be obtained. This must include: date, name of child, name of medication, dosages, date and time of day medication is to be given. Medicine must be in the original container labeled with the child's name. Prescription medication must be received in its original container.
-

Contact

- It is the parent/guardian's responsibility to keep records current to reflect any significant changes as they occur including telephone numbers, work location, emergency contacts, child's physician, child's health status, new allergies, etc.
- **After School by Camp Fire** uses 3 points of contact to relay information about the program: A Leader or Assistant will inform you personally and/or hand you a note; an email through Configio to the email address provided; lastly, written communication at the door.
- We will limit communications to important and relevant information so parents can stay up to date with Camp Fire Georgia without overwhelming you.

Code of Conduct

Children are expected to adhere to all school and district policies. **After School by Camp Fire** will adhere to the policies of the school and district, as well. The Code of Conduct is to ensure each child's behavior is consistent with school rules.

Clothing & Personal Belongings

- Children participate in play and should dress accordingly. All items (clothing, school supplies, etc.) should be marked with the child's first and last name.
- **After School by Camp Fire** is not responsible for the loss or damage of personal belongings. Parents are discouraged from allowing their children to bring personal toys, electronics, or other items to the program. Our programs provide developmentally appropriate activities for all age groups as well as the opportunity for individual free play to keep children safe and happy.
- Cell phones, tablets and other devices should be turned off and stored in the bottom of the child's backpack. If children need to contact their parents by phone, the Leader will initiate the contact using the program phone.
- We reserve the right to confiscate any item(s) that serve as a distraction during program time. Leaders or Assistants will return these item(s) to the parent at the end of the day.

Guidance & Discipline Practice Policy

After School by Camp Fire will help children develop the internal control needed to manage themselves. Therefore, we use the following positive guidance techniques:

- Modeling appropriate behaviors.
- Setting clear and reasonable limits that protect the child's safety and welfare, the rights of others and the environment.
- Acknowledging appropriate behavior.
- Encouraging verbalization and problem solving by providing positive suggestions, choices and/or redirection.

When a discipline problem occurs and persists, the following actions may be taken:

- The Site Director will complete an Incident Report Form and discuss with the parent and child.
- Parents will be called for a conference.
- Parents may be called to pick up their child for the day.
- A behavior agreement may be completed outlining the unacceptable behavior and consequences.
- The child may be suspended or released from the program at the discretion of the **After School by Camp Fire** Coordinator or the Executive Director.

Behavior

Our program cannot accommodate participants who display chronic or severely disruptive behavior. Such behavior will be grounds for dismissal from the program. This behavior is defined as verbal or physical activity, which may include, but is not limited to:

Behavior that requires constant attention from the staff.

- Behavior that is destructive in nature.
- Behavior that continually ignores or disobeys.
- Students will be dismissed without warning from programs for behavior that inflicts physical or emotional harm to anyone (i.e. verbally or physically threatening behavior, fighting, etc.).

Accommodations

Camp fire is an inclusive organization that welcomes children with various cognitive and social abilities. We maintain ratios of 1:15 or less. If any accommodations are needed, please discuss with the ***After School by Camp Fire*** Coordinator prior to registration to ensure such accommodations can be made.

Homework

Opportunity is given for participants to work on homework. Though every effort is made to ensure completeness and accuracy of the homework, it is the parents/guardians' responsibility to follow-up to ensure homework has been completed and is accurate.

At ***After School by Camp Fire***, collaborative relationship between parents/guardians, students and staff is important. Leaders and Assistants will make homework time as productive as possible.

Students are asked to bring a water bottle each day.

The Role of Parents in Camp Fire Georgia's Programs

At Camp Fire Georgia, parents/ guardians are recognized as their children's first and most committed teachers and advocates, and that children benefit the most when the adults in their lives—parents, teachers, and program leaders—work together.

Here are some ways you can help your child succeed in ***After School by Camp Fire***:

- When you come in to pick up your children, talk with the staff, even if it's only for a few moments.
- Talk with your child every day about what they did in Camp Fire. Ask open ended questions to get them talking about their day.
- Work with the staff to address any behavior or health issues or concerns that you may have about your child.
- Communicate regularly with the staff to share ideas, questions, or concerns.
