UNIT SONGS

Omikse

(repeating song)

We are the Omikse Girls
We don't wear no rings or pearls
We don't play with Barbie Dolls
We just play with bats and balls
We don't wear no mini skirts
We wear dirty socks and shirts

Sound off (one, two)

Sound off (three, four)

Bring it on down now

(One, two, three four! One, two! Three,
four!)

Yoki

The Yoki unit's got the spirit,
the winning pep, and loyalty.

We can run, and hike, and play.

We've got what they call the gang of the day.

So when the Yoki ball gets rollin',
watch out for soon you will see,
that we're the best gang yet-

Toccoa's ever met.

Yoki unit leads the waaaaaay.... hey!

Eluta

We're the men of Eluta
The ones you've heard about.
Counselors hide their campers,
whenever we're about.

You can't go wrong,
We're big and strong!
And mighty handsome, too.
We're the men of Eluyta,
so who the heck are you?!

Talahi

Superman was a man of men,
If you mess with us, you'll know who'll win.
We chew up nails and spit out steal,
with a fist of stone and an iron will.

Oh, Talahi, don't you cry for me!
We are the men of the Talahi men,
and that's life for me! Huh!

Keona

We are Keona, high on the hill!
We only eat what we can kill!
We only kill what we can eat,
so bring it on: meat, meat, meat!
(And veggies!)

DINING HALL SONGS

Cookies

Cookies, cookies!

Listen while we sing to you.

Cookies, cookies!

You're a part of Camp Fire, too.

Anyone can make a bed, anyone can sweep.

But it takes a cookie, to give us something to eat!

So! Cookies, cookies!

Listen while we sing to you!

Sing Ho!

Sing Ho to our _____, our _____, our _____!

Sing Ho to our _____, and a "How do you do?"

With a tin can and a rat trap, and a cowbell and a bombshell!

Sing Ho to our _____, and a "How do you do?"

- Staff
- Campers
- Etc.

TRADITIONAL SONGS

Processional Chant

We come, we come to our council fire,
with measured tread and slow,
to light the fire of our desire,
to light the fire of Wo-He-Lo.
(Slower) Wo-He-Lo, Wo-He-Lo.

The little twinkling star on high,
are whispering nature's lore,
while all around us the soft winds sigh,
and great Wo-kan-da watches o'er.
(Slower) Wo-He-Lo, Wo-He-Lo.

Recessional Chant

Go we forth from our council fire,
into the night, into the night.
In our hearts renewed desire,
burning bright, burning bright.
Liveliness of thought we've found,
Warmth and friendship's love,
Forest stillness closes 'round,
Sky and stars above,
Blend into the mustic call,
Wo-He-Lo Wo-He-Lo,
May Wo-kan-da's blessing fall upon us as we go.

Camp Fire Law

So (hum, hum) let me see you (hum)
that great big CAMP TOCCOA (hum)!

Beneath the Pine Trees

Beneath the pine trees,
I hear the night breeze.
It seems to whisper,
of Camp Toccoa.
The bows are bending,
A message sending,
"Take me back to the hills of Camp Toccoa."

tune is hummed for a verse

Day is done!
Gone the sun;
From the lake,
From the hill,
From the sky.
All is well,
safely rest.
God is nigh,
Good night.

We must part
God keep watch,
o'er us all through the night,
We will meet,
with the dawn.
Good night.

Spoken: "Good night, Camp Toccoa."

Good Riddance

Another turning point, a fork stuck in the road.
Time grabs you by the wrist, and directs you where to go.
So make the best of this test and don't ask why.
It's not a question but a lesson learned in time.
It's something unpredictable, but in the end, it's right.
I hope you've had the time of your life.

So take the photographs and still frames in your mind.
Hang it on a shelf, in good health and good time.
Tattoos of memories, and dead skin on trial.
For what it's worth it was worth all the while.
It's something unpredictable, but in the end, it's right.
I hope you've had the time of your life.

It's something unpredictable, but in the end, it's right.
I hope you've had the time of your life.

It's something unpredictable, but in the end, it's right.
I hope you've had the time of your life.

Pooh Corner

Christopher Robin and I walked along,
Under branches lit up by the moon.
Posing our questions to Owl and Eeyore,
As our days disappeared all too soon.
But I've wandered much farther today than I should,
And I can't seem to find my way back to the wood.

So, help me if you can, I've got to get
Back to the house on Pooh Corner by one.
You'd be surprised, there's so much to be done:
Count all the bees in the hive,
Chase all the clouds from the sky.
Back to the days of Christopher Robin and Pooh.

Winnie the Pooh doesn't know what to do,
Got a honey jar stuck on his nose.
He came to me asking help and advice,
And from there, no one knows where he goes.
So I sent him to ask the Owl, if he's there,
How to loosen the jar from the nose of a bear.

So, help me if you can, I've got to get
Back to the house on Pooh Corner by one.
You'd be surprised, there's so much to be done:
Count all the bees in the hive,
Chase all the clouds from the sky.
Back to the days of Christopher Robin and Pooh.

It's hard to explain how a few precious things,
seem to follow throughout all our lives,
after all's said and done, I was watching my son
Sleeping there with my bear by his side.
So I tucked him in, I kissed him, and as I was gone,
I swear that old bear whispered, "Boy, welcome home."

So, believe me if you can, I finally got
Back to the house on Pooh Corner by one.
You'd be surprised, there's so much to be done:
Count all the bees in the hive,
Chase all the clouds from the sky.
Back to the days of Christopher Robin-
Back to the ways of Christopher Robin-
Back to the days of Pooh.
Pooooooh, Pooooooh...

Both songs are sang at together.

Camp Toccoa

Good times forever

Laughing, singing, doing whatever,

We have fun no matter the weather

Friends all around us making us stay,

making us laugh, making us say,

“Friends are special in their own special way,

Saying goodbye is the hardest to say.”

Camp Toccoa

Camp! Toccoa!

Camp! Toccoa!

Camp! Toccoa!

Camp! Toccoa!

We call it fun, but you may call it maaadness!

Stay here with us, and you’ll forget your saaadness!

Happy campers are we, having fun ‘neath the trees,

and when we are done, you’ll remember our song of...

(Repeats from beginning)

On The Loose

On the loose to climb a mountain, on the loss where I am free.
On the loose to live my life, the way I think my life should be.
For I've only got a moment, and a whole world yet to see...
I'll be searching for tomorrow on the loose...

Have you ever seen the sunrise turn the sky completely red?
Have you slept beneath the moon and stars, a pine bough for your head?
Can you sit and talk with friends, though a word is never said?
Then you're just like me and you've been on the loose.

There's a trail that I've been hiking just to see where it might go.
Many places yet to visit, many people yet to know.
And in following my dreams, I will live and I will grow.
On the trail that's waiting out there on the loose.

So in search of love and laughter, I'll be traveling 'cross the land.
Never sure of where I'm going, for I haven't any plan.
But in time when you are ready, coming to join me, take my hand.
and together we'll share life out on the loose.

Linger

Mmm, I want to linger.
Mmm, a little longer.
Mmm, a little longer here with you.

Mmm, it's such a perfect night
Mmm, it doesn't seem quite right,
Mmm that this should be my last with you.

Mmm, and come September,
Mmm, I will remember,
Mmm, my camping days and friendships true.

Mmm, and as the years go by,
Mmm, I'll think of you and sigh,
Mmm, this is goodnight and not goodbye.

Out at Toccoa

We're out at Toccoa, the camp of our dreams
Where the water just ripples, and sparkles and gleams.
So come on and join us for we are never blue
Be a member of our happy laughing group-- you, too!

At night 'round the campfire, we laugh and we sing
Give a cheer for Toccoa and let the echoes ring.
We'll cheer for our leaders, our counselors, good sports too.
We'll cheer for every Camp Fire kid and you-- we do!

Flicker

The flicker of the campfire,
The wind in the pines,
The stars in the heavens,
A moon that shines,
A place where people gather,
Making friends of all kinds,
A place where old man troubles,
Are always left behind.

So give me the light of the campfire,
Warm and bright,
And give me some friends to sing with,
I'll be here all night,
Love is for those who find,
And I've found mind right here,
Just you and me and the campfire,
And the songs we love to hear.

Turn Around

Where are you going my little, little one,
Where are you going my Bluebird so small,
Turn around and you're tiny
When you walk through the gate
Turn around little Bluebird
There's more if you wait

Turn around, turn around, turn around little Bluebird
There's more if you wait.

Where are you going, my little one, little one,
Where are you going my baby so small,
Turn around and you're 9,
Turn around and you're 10.
Summer's gone and you leave
But you come back again.

Turn around, turn around, turn around, summer's gone
But you come back again

Where are you going, my little one, little one,
Where are you going my baby so small,
Turn around, touch the sky
Turn around, take your fill
Turn around, now you're older.
Go on up the hill.

Turn around, turn around, turn around, now you're older
Go on up the hill.

Where are you going my little one, little one,
Where are you going my baby so small,
Turn around, there's still more
When you open the door
There's a place in the valley
With much more in store

Turn around, turn around, turn around, there's a place in the valley
With much more in store

Where are you going, my little one, little one,
Bluebird days have faded away
Turn around and you've grown
BUt you still want to stay
Maybe someday soon you'll have babes of your own

Turn around, turn around, turn around and maybe soon
you'll have babes of your own.

Where are you going my little one, little one
Where are you going my baby so small
Camping days have gone away
You're a young girl today
And now you're a counselor
With babes of your own.

Turn around, turn around, turn around and you're a counselor
With babes of your own.

Desperado

There was a desperado from the wild wild west!
He rode into Chicago just to give the west a rest!
He wore a big sombrero and two pistols by his side,

From crippled creek way out in Colorado!
And he horsed around like a big tornado,
and everywhere he went he gave waaar a whoop!

He went to Coney Island just to take in all the sights
He saw the Hoochie Coochie and the girls all dressed in tights.
It got him so excited and he shot out all the lights!
And everywhere he went he gave his waaar a whoop!

Oh what a big bold man was this Desperado!
From crippled creek way out in Colorado!
And he horsed around like a big tornado,
and everywhere he went he gave waaar a whoop!

One day the desperado came a-walkin' down the street,
A big bold fat policeman came a'strollin' down the street,
He took him by the collar and he took him by the seat,
And put him where he couldn't give his waaar a whoop!

Three Bears

Once upon a time in a wee little forest,
There were three bears (cha, cha, cha)
One was a mama bear,
One was a papa bear,
And one was a wee bear (cha, cha)

One day they were walkin' in the big woods.
Talkin' when along, along along came a little girl,
With blond hair and her name was Goldilocks.
And up on the door she knocked,
But no one was there,
No, no one was there.
No she didn't care.

And when she got tired, she went upstairs
Home, home home came three bears (cha, cha)

"Who's been eating my porridge?" said the mama bear
"Who's been eating my porridge?" said the papa bear
"Hey baba re bear," said the wee bear
"Someone has broken my chair." (BOOM)

Just then Goldilocks woke up and broke up,
And that's the story of the three little bears

"Goodbye, bye, bye," said the mama bear
"Goodbye, bye, bye," said the papa bear
"Hey baba re bear," said the wee bear
And that's the story of the three little bears

Little Green Frog

"Mmm Ahh," went the little green frog one day,
"Mmm Ahh," went the little green frog.
"Mmm Ahh," went the little green frog one day,
And not another frog went "Mmm Ahh, Mmm Ahh."
All the other frogs went "Boo da de yadda ya, Boo da de yadda ya
, Boo da de yadda ya,"
All the other frogs went "Boo da de yadda da" and
One little frog went "Mmm Ahh, Mmm Ahh."

Honk Honk! Went the big bad truck one day,
Splish! Splash! Went the little green frog,
And his eyes didn't go "Mmm, Ahh," anymore.
'Cause he got licked up by a dog.
Woof! Woof!

Ten in the Bed

There were ten in the bed and the little one said, "Roll over, roll over!"
So they all rolled over and one fell out
And he hit the floor and he gave a shout:
"Please remember to tie a knot in your pajamas!
Single beds are only made for
one, two, three, four, five, six, seven, eight, nine!"

There were nine in the bed and the little one said...
(Song repeats as the numbers decrease)

There was one in the bed he said,
"I've got the whole bed to myself! I've got the whole bed to myself! I've got
the whole bed to myself, I've got the whole bed to myself."

Super California Surfer

Super California Surfer, expert of the ocean!
Even though the most of them do not use suntan lotion!
When they hit the waves too hard they always cause a motion!
Super California Surfer, expert of the ocean!

Um diddle iddle iddle um diddle lie
Um diddle iddle iddle um diddle lie

Because I was afraid to surf when I was just a lad,
My father took my board away and told me I was bad!
But then I learned the word that every surfer knows!
The biggest word you ever heard and this is how it goes, oh!

Super California Surfer, expert of the ocean!
Even though the most of them do not use suntan lotion!
When they hit the waves too hard they always cause a motion!
Super California Surfer, expert of the ocean!

Crocodile

(With hand gestures)
There was a crocodile,
an orangutan,
and an eagle flying,
and a silver fox.
A bunny! A beaver!
A CRAZY ELEPHANT! (yelled)
Na-na-na-na-na-na-na-na-na-na

(Repeat, each time humming instead of saying an animal's name, (but always do the hand gestures) and each time you repeat, you hum an additional animal. By the seventh repeat, you should hum all the animals. On the eighth repeat, you should say all of the animals again, and very loud!)

I'm a Nut

I'm a little acorn round,
sitting on the cold, cold ground.
Everybody steps on me,
that is why I'm cracked, you see.
I'm a nut, in a rut, and I'm crazy!

Called myself up on the phone,
just to see if I was home.
Asked myself out on a date,
Gotta be ready by half past eight.
I'm a nut, in a rut, and I'm crazy!

Took myself to the picture show,
Sat myself in the very front row.
Wrapped my arms around my waist,
Got so fresh I slapped my face.
I'm a nut, in a rut, and I'm crazy!

Brought myself back to my crib,
just so I could have some ribs.
Barbeque sauce and tater tots too,
ate so much I had to poo.
I'm a nut, in a rut, and I'm crazy!

Climbed myself up on my bed,
just so I could rest my head.
Counted bugs and things that creep,
Scared myself, now I can't sleep.
I'm a nut, in a rut, and I'm crazy!

Coca cola came to town,
Pepsi cola knocked him down.
Dr. Pepper fixed him up,
Now we all drink 7UP.
I'm a nut, in a rut, and I'm crazy!

Swimming

Swimming, swimming, swimming, in the swimming pool.

playing with my yo-yo (Woo-woo!),
when along came Herman the worm.
And he was thiiiiiiis big! (Demonstrate with hands)
And I said, "Herman, what happened?!"
(Deep, silly voice) "Duh, I ate my sister"

On the last verse, Herman gets teeny again, (demonstrated by hands) and responds with "Duh, I burped!"

Titanic

Oh they built the ship Titanic,
To sail the ocean blue,
And they thought they had a ship that the water wouldn't go through,
But the Lord, he raised his hand,
Said, "This ship would never land!"

Chorus:

It was sad when the great ship went down.
It was sad (So sad!)
It was sad (Too bad!)
It was sad when the great ship went down.
To the bottom of the sea-ea-ea-ea-ea!
Uncles and aunts, little children lost their pants.
It was sad when the great ship went down. (Up, down, up, down, up, down!)
To the bottom of the sea-ea-ea! (Blub, blub, blub)

It was off the coast of England,
Not very far from shore,
When the rich refused to associate with the poor.
So, they put them down below,
Where they were the first to go.

Chorus

Well, the captain stood on deck,
With a tear in his eye,
As he waved the last,
Of his passengers goodbye,
But he thought he made a slip,
So he went down with the ship,

Chorus

Well they built another ship,
Called the US92
And they thought they had a ship
That the water wouldn't go through,
But they cristened it with beer,
And it sank right off the peer.
Chorus

Well the moral of the story isn't very hard to see,
Always wear a life preserver,
When you go out to see,
'Cause Uncles and Aunts, little children lost their pants,
Chorus

Barges

Out of my window looking in the night,
I can see the barge flickering light.
Silently flows the river to the sea,
And the barges go silently.
Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

Out of my window looking in the night,
I can see the barge flickering light.
Starboard shines green and port is glowing red.
You can see them flickering ahead.
Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

Three Little Angels

Three little angels all dressed in white!
Trying to get to heaven on the end of a kite,
but the kite broke, and down they all fell
Instead of going to heaven, they all went to--

*Repeat stanza twice more; change "three" angels to "two," then "one."

Three little martians all dressed in green!
Trying to get to heaven on the end of a string,

Three little devils all dressed in red!

RETIRED UNIT SONGS

Bluebird Unit

We're the Bluebirds, the jolly Bluebirds,
We're happy all the day.
We're the Bluebirds, the jolly Bluebirds,
We go singing on our way.
Through dark showers and sunny hours.
We laugh at work and play,
Tra la la la la la la la la la la la
We're always bright and gay.

Talahi

With a chuckle and a smile and a welcome hi
We greet you at the door
With a little bit of teasing
And a whole lot of squeezing
Who could ask for anything more, we're singing
We are Talahi, boom diddy ah da boom boom
We are Talahi, Boom diddy ah da boom boom
When you see us
You see a lot of things nobody else can see
When you see us
You see we only care enough to be the best in camp
There is no other one
We are the very best,
Because Talahi is leading all the rest.
When you TA-LAHI, you've said it all!

Omikse

We're Omikse's gang and together we sang
From the moment of judgment day.
We're the best gang yet that Toccoa's met.
We're always so happy and gay.
Sportsmanship's our aim and together we claim,
in all that we say and do.
We're proud to proclaim that we are the gang
from good old Omikse U.
Rah rah!

Keona

Down the hill, round the lake, up the stoney steps we take
For our cabins are high on the hill
but we sing as we go for our spirits never low
and each day with fun we fill
so it's come with me and together we will
here in our homes beneath the pines
As the campfire gleams we'll share each other's dreams
and the peace of Keona we'll find
Yeah, Keona, and the peace of Keona we'll find
My mama told me long time ago
Said, "Girl don't you join any other group you know,
you'll lose all your honor, increase all your woes,
what will become of you nobody knows,"
So Keo-na, that's the place I'm going to stay
So come with me and join the fun,
from the break of day to the setting sun
Boom diddy ah da boom boom
