

Camp Fire Camp Toccoa/ Camp Fire Georgia User Group Agreement

General Information: Camp Fire Camp Toccoa is owned and operated by Camp Fire Georgia. Our 176 acre camp is located in the beautiful North East Georgia Mountain and has been for over 90 years!

Camp Fire has been an innovative leader in youth development for over 100 years. You might remember us as the Camp Fire Girls or Camp Fire USA, which were key parts of our organizational journey. Today, our commitment to diversity and inclusion are important parts of what makes us different.

Facility Rates, Reservations and Deposit

Camp Fire Camp Toccoa offers rustic open air cabins that sleep up to 9 people in single beds. The beds in each cabin have been set up to maximize floor space and provide a clean pathway in case of emergency. Beds and/or mattresses may not be moved between cabins or re-arranged. The number of people permitted to use each cabin has been determined and must not be exceeded. No recreational vehicles are permitted in camp.

There are two units with four cabins each. For ease of reference, the units are named Yoki and Omikse.

The cost to use each cabin is \$75 per evening. Reservations must be made in advance and walk up reservations will not be accepted. A \$50 deposit will hold your reservation in advance of your stay. Payment is due in full at the time of the reservation. Up to a \$100 fee may be added to your final bill if any damages are incurred or if proper checkout procedures are not met. You will be notified prior to any charges applied.

If Camp Fire must cancel a reservation, a full refund will be issued if we cannot move your reservation to an alternative date. If you need to cancel your reservation, you may do so by calling the Camp Fire Office at (706)-886-2457 or emailing info@campfirega.org. We ask that cancellations are made prior to 4:00 pm, at least 3 day before your arrival if possible.

Restrooms

The Yoki Unit has a bathhouse (with men/women sides) that includes toilets, showers and sinks. The Omikse Unit has a single sex bathhouse that includes toilets, showers and sinks.

The Yoki Unit house includes a private bathroom with a toilet and sink.

Camp Fire Camp Toccoa is almost 100 year old and our plumbing is very old as well! We ask that you keep that in mind and only flush toilet paper in the toilets. Garbage receptacles are provided for feminine hygiene products along with any other items (baby wipes, etc) that may be difficult for the septic system.

Meal Service

Guests are required to manage their own food needs. The Yoki / Omikse cabins are not equipped with a kitchen or refrigeration. The Yoki Unit House has a stove top and small refrigerator. Guests must bring their own cooking equipment and serving equipment is very limited. It is suggested you supply what you will need for your stay. It is the responsibility of the group/family to properly store and cook food. There are shared fire pits in both the Yoki and Omikse units.

Guests are welcome to bring propane stoves, to use outside of their cabins. All food must be stored properly at all times outside of the cabins in durable coolers and bins. The dining hall kitchen, refrigerator and equipment is not available for food preparation or storage.
